About

 m baby so easy!

Command line based
mobile talker for most
dynamic communication

@multiverseim

www.multiverse.im

mv

Problem

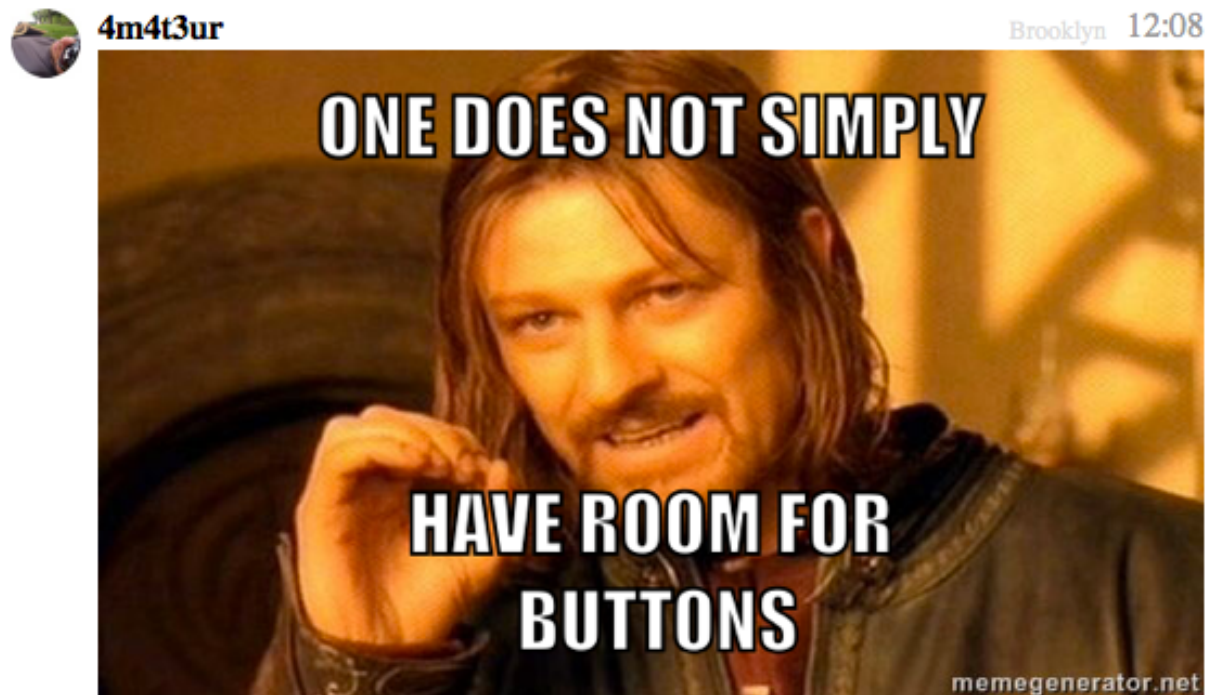

Mobiles have
tiny screens

This creates a challenge
for designers

mv

Solution

Get rid of the buttons!

Use command line
instead!

mv

Advantage

Minimal
UX, UI, Frontend bill

Maximum fast
development

mv

Mission

Best
group communication
tool

@multiverseim
